

PLANE TALK

Lancaster County Radio Control Club, Inc.

www.lcrcc.us

Meeting Notice

When: Thursday April 3rd at 7pm.

Where: At the field

Agenda: Business meeting

Please try to attend. This is when we make the decisions about our club.

Great Job!

Another fantastic job done by the Central Penn committee. Also, all who helped with setup, tear down, and in doing whatever was necessary to make sure everything ran fine!

Bill Henry [henrywt@hotmail.com] or call 717-468-3608

MINUTES MARCH 6 '08

Meeting called to order at :700 by Craig

Minutes: no corrections , additions. Approved as published

Treas. Report: Bob reviewed and indicated that we are still solvent.

Guests / prospective members: Robin Renzetti, who was at last months meeting affirmed his desire to join and was accepted as a member.

Cent. Penn: Harris said he is still light on set up people and tear down people. Set up begins about 12:30 and takes about 1 to 1 1/2 hrs. Tear down begins early in the afternoon and goes until done. Anyone able to help at these two time will be appreciated.

Field Marshall: Craig has not appointed anyone yet. Charlie Z. will take care of fixing the outhouse.

Safety: Rick noted that we began a discussion about the "hover area" last month and agreed then to bring it up again this month. After way too much discussion it was agreed that any existing problem is so minor as to not need a solution. Each individual case will be dealt with alone. If a real problem arises further discussion can be had and action can be taken

Events: Some of the events and dates were missing from the published event list in the newsletter. Hrayr noted that they are on his official list. Jim should get this information from Hrayr to republish for the membership. The Mini Mall and night-fly were not on the list for the May meeting. Note this correction/addition.

Also there should be a night fly in Oct. There were also no Fun Fly's scheduled. The addition of these will occur on an ongoing basis.

It was also suggested we eliminate the monthly picnics and plan one big, family picnic for the year. After much discussion it was decided to keep the monthly picnics and investigate the possibility of a catered main even to coincide with the corn roast in Sept. Several members will investigate possibilities and report back next month.

Finance: The audit was done and found that everything is in order.

Newsletter: Thanks again to Jim for a great job.

Old Business: Craig brought up his suggestion to change the election process as per published info in this months newsletter. It was agreed to do so by motion second and vote. Craig will write up the changes in proper form to be included in the By Laws and submit those to Bill Henry for changes to paragraph 3 of the By Laws.

New Business: It was noted that Brandon has indicated to various people that he would be coming back and to others that he will not be coming back. Craig agreed to call Brandon to clarify. In either case the mower needs serviced and repaired. Mike B. agreed to take care of it..

Craig, in the absence of a Field Marshall, agreed to take over the Field Marshall duties to make sure all field related items are taken care of.

H.A. Craig was nominated for forgetting his keys to get into the shed tonight and Rick was nominated for turning off the lights during the meeting. Both were voted to be the H.A. for the month.

Meeting adjourned

50/50 \$7.00 won by Hrayr
